J. M. Kersh, Associate General Manager  
Environmental Restoration and Waste Management  
EG&G Rocky Flats, Inc.

Please find attached comments from DOE, CDH, EPA, and the Colorado Department of Wildlife regarding the Draft Phase I RFI/RI Workplan for OU 10 (Other Outside Closures), dated November 1991. With regard to comments from DOE EM-453 (HAZWRAP comments), please modify the document and prepare responses to those comments identified as "N", "P" and "A" except for those comments relating to the environmental evaluation (Section 9). These are comments where previous responses and text modifications were inadequate or incomplete. A copy of these comments was provided in DOE memorandum ERD:BKT:9396, dated November 1, 1991.

We request that the OU 10 work plan be modified per the attached comments and the discussion from the March 17, 1992 meeting with CDH and EPA. In addition, we request that the March 17, 1992 meeting minutes be prepared and transmitted to DOE/RFO/ERD by April 7, 1992.

Responses to the attached comments should be prepared and submitted to DOE/RFO/ERD along with the final Phase I RFI/RI OU 10 work plan such that the May 1, 1992 IAG deliverable date is met for this document.

Questions or concerns should be directed to Bruce Thatcher of my staff at 966-3532.
